Dear Provost Prelock:

At its October 24-25, 2025 meeting, the Board of Directors of the National Architecture Accreditation Board (NAAB) reviewed the following document from the Master of Architecture degree ((undergraduate architecture degree + 62 graduate credit hours; undergraduate non-architecture degree + 94 graduate credit hours) program at University of Arizona:

- Application for Continuing Accreditation

After a review of the program's Application for Continuing Accreditation, the Board voted to grant the M.Arch. program an eight-year term of Continuing Accreditation with a Plan to Correct and require the program to address the following conditions noted as "not met":

- **SC.1 Health, Safety, and Welfare in the Built Environment**
- **SC.5 Design Synthesis**
- **SC.6 Building Integration**
- **5.4 Human Resources and Human Resource Development**
- **5.7 Financial Resources**

The program is required to provide a Plan to Correct, which includes a narrative response with supporting documentation and evidence of compliance for each Condition noted as "not met" (see [Procedures for Accreditation, Plan to Correct](#), p. 18-19). The Plan to Correct is due on or before **June 30, 2026**.

The program's accreditation term is effective January 1, 2025, and the program is scheduled for its next visit for Continuing Accreditation in 2033. This visit will be conducted under the provisions of the NAAB Accreditation Conditions and Procedures in effect at the time of the visit.
