Definition of Associate Degrees

Hartnell College awards both the **Associate of Arts (AA)** and the **Associate of Science (AS)** degrees to students who complete the appropriate requirements.

- **Associate of Arts (AA):**
Awarded to students majoring in disciplines such as the arts, humanities, and related fields.
- **Associate of Science (AS):**
Awarded to students majoring in areas such as agriculture, engineering, science, technology, and related programs.

Hartnell College also offers **Associate Degrees for Transfer (ADT)**; Associate in Arts for Transfer (AA-T) and Associate in Science for Transfer (AS-T). These degrees are designed to create a clear and streamlined pathway to transfer to a CSU campus.

Please Note: Students pursuing an ADT must complete an approved Transfer General Education Pattern such as the CalGETC and not the local Hartnell GE pattern.

Double Degree: Students may concurrently complete the requirements for two or more associate degrees.

To qualify:

- Students must complete **all Competency, General Education, and major requirements** for **each degree**.
- A **single diploma** will be issued listing both degrees.
- **General Studies with Emphasis** degrees are **not eligible** for use in a double degree.

Additional Associate Degree: Students who have previously earned an associate degree from Hartnell College may pursue an additional associate degree by:

- Completing **all requirements** for the new degree program.
- **General Studies with Emphasis** degrees may **not** be earned as an additional degree.

Catalog Rights: Continuous attendance is defined as enrollment in at least one term during an academic year (Fall, Spring, Summer). A student who does not meet continuous attendance requirements during an academic year is considered to be a returning student and would follow the catalog requirements in effect at the time of their return. The academic year begins in the fall term. Students whose first semester of attendance is summer, would have catalog rights to the academic year immediately preceding the summer semester. Any academic record symbol such as (A through F, P, NP, CR, NC, I, IP, RD, EW, MW, W) shall constitute enrollment. See catalog for more information.

Counseling Appointments: Meet with a counselor to plan your courses, review transfer requirements, and ensure you're on track. Schedule an appointment: www.hartnell.edu/students/programs/counseling Or call one of our campuses for more assistance:
