Programs highlighted in LAVENDER have not been used for at least five years. Programs in PINK have been formally terminated and deregistered with the State Education Department at some point in the past. Programs in DARK PINK have been approved for closure by the CUNY Board of Trustees and are awaiting SED approval or have been approved for future termination. Programs in RED are old teacher education programs leading to provisional or permanent certification--only PPS programs are valid after Fall 2008. Programs in DARK BLUE are old dual-purpose teacher education programs that should be reregistered as academic majors. Programs in GREEN are new teacher education programs or programs leading to PPS certificate titles, and programs in LIGHT BLUE are new dual-purpose teacher education programs that should be terminated and reregistered as two new programs, one for academic major students and one for teacher education students. Programs in TEAL are for the Macaulay Honors College.
